

BCT BUSKERS POLICY & AGREEMENT FORM

Welcome to the BCT Buskers list! We are excited to offer the sidewalk under our marquee to buskers like you!

The BCT offers extra benefits: power & amplification, shaded performance space, a captive audience of street diners, and a guaranteed payout. We want to keep the exchange as simple as possible so the focus is on your performance! When you sign up to perform under the marquee, you agree to arrive on-time for your performance and follow BCT's community guidelines. In exchange, you (the performer or performance group) will be guaranteed minimum compensation of \$50 per hour (up to 3 hours) and a 50% share of donations after \$150.

This could play out in a one of two ways:

- If your performance draws less than \$150 in donations, you'll still get paid \$50 per hour of performance.
- If your performance draws more than \$150 in donations, you'll get paid \$50/hour + half of all donations exceeding \$150.

You are welcome—and encouraged—to ask for donations during your performance.

COVID Safety: Until county health guidelines change, performers must be masked at all times between & during performances, unless a mask inhibits performance. For example, singers may perform without a mask but must be masked while not performing.

Additionally, to reduce person-to-person contact, you will not be allowed to sell or distribute any items while busking. If you would like to sell merch, we can arrange for you to do so safely through the BCT Box Office.

Theater doors will be unlocked for buskers to use the facilities. You may also have access to power for sound amplification if requested in advance. All requests regarding merch and tech needs must be approved at least 24 hours in advance of your scheduled performance.
